

About the College

'Irresistible quest for knowledge and Incredible performance' are the two watch words of Geethanjali .

Geethanjali College of Engineering and Technology (GCET) was established in the year 2005 with the sole objective of providing quality technical education to youth. The college has excellent infrastructure and modern laboratories. It has competent and dedicated faculty.

The college has been conferred “**Autonomous**” status by UGC with effect from Academic Year 2016-17 for a period of six years. The College is accredited with NAAC ‘A’ Grade. The college also got ISO 9001:2008 certification in 2011. College has been recognized as an R&D centre by Scientific and Industrial Research Organization (SIRO). The college offers Undergraduate programs in engineering branches, namely, CSE, ECE, EEE, MECH and CIVIL with a total intake of 840 students. Three of its undergraduate programs, namely, CSE, ECE and EEE have been accredited by NBA in July 2015. The college also offers postgraduate program in MBA with an intake of 60 students and M. Tech programs such as Embedded Systems and VLSI System Design as specializations in department of ECE, Power Electronics specialization in department of EEE and Computer Science specialization in department of CSE.

About Science and Humanities Department

Since its inception, the motto of the department is to make the technologists linguistically, socially, and ethically conscious individuals. The department is headed by Prof.Dr. G. Neeraja Rani, who has antiquated with teaching and research for more than two decades.

The English department is strengthened by abounding wealth of experienced and knowledgeable faculty. They are research endowed and their spirited efforts are towards making students goal-oriented.

Aim of the programme

Information and Communication Technology (ICT) has become an indispensable tool in the field of education with the paradigm shift from Teacher to Learner to Learning, So, ICT has become a potentially powerful tool for educational reforms. It facilitates teaching and learning process.

The aim of organizing this FDP is to acquaint and equip the teachers with the advantages of ICT language exposure, provides an access to wider sources of information and gives opportunity to communicate with the world. It promotes the enlargement of learner’s autonomy.

Topics to be covered:

1. Learner Autonomy.
2. Current possibilities to teach English Language using ICT
3. Blended Learning.
4. Web 2.0 tools. (Hands-on experience)

Resource Persons:

Eminent personalities from EFLU, with expertise in related fields will contribute incalculably.

Eligibility:

Faculty of English from Engineering and Degree colleges.

Registration Fee: INR 500/-

Participants are requested to register by filling in the registration form and send the same to the Coordinator immediately to facilitate the hospitality arrangements.

The registration amount should be paid on the Spot.
