Patents and Grants from AICTE

- ◆ Dr.C.V.Narasimhulu, Professor has published an Indian patent titled “A Method of Image Denoising and A System Thereof” in the month of October 2019 with patent application no: 201941039885.
- ◆ Dr.P.Vijai Bhaskar, Professor and Dean Academics has been sanctioned a grant of Rs.5 lakhs by AICTE to conduct a one week short term training program (STTP) for the faculty of engineering.

Faculty Development Program (FDP)

AICTE sponsored Two week FDP on **Advances in Signal and Image**

Processing with Hands-on Training using MATLAB was organized by Group II (Signal processing) from 18th to 30th November, 2019. Prof. B.Hari Kumar was the convener and Dr.C.V.Narsimhulu

was the Coordinator for this FDP. Dr. C.V.Narasimhulu has been funded with a grant of Rs.4.98 lakhs by AICTE. A total of 63 participants from various engineering colleges and research organizations from the states of Telangana, Karnataka, Tamilnadu and Andhra Pradesh have participated.

Nineteen eminent personalities from industry and academicians of repute from various engineering colleges have delivered the lectures in this FDP. Sri B.Gopala Krishna from NRSC, Dr.N.S.Murthy former Professor of NITW, Dr.J.V.R Ravindra from VCE, Dr.Subhendu Kumar Sahoo from BITS, Hyderabad Campus, Dr.G.Ganesh from SNIST, Prof.K.V.Sridhar from NITW, Dr.Sandhya from MVSREC, Dr.V.Anil Kumar from IIIT, Hyderabad, Dr.C.R.Rao from University of Hyderabad, Dr.P.K.Thiruvikraman from BITS, Hyderabad Campus, Prof.M.V.Raghunath from NITW, Mr.Nagendra Bandi from CoreEL Technologies, Dr.Tilottama Goswami from AGI, Dr.R.Krishnan former Director of ADRIN Hyderabad, Dr.S.Venkatraman Group Director of ADRIN, Hyderabad, Dr.Kumar Eswaran from SNIST, Dr.J.Ravi Kumar from NITW, Dr.S.P.V.Subba Rao from SNIST and Dr.K.M.M.Rao former Deputy Director of NRSC Hyderabad were the external resource persons. A hands on session on image enhancement and segmentation through MATLAB was conducted by Capricot Technologies and an Industrial visit to NRSA was arranged for the participants as a part of FDP program.

Faculty Peer Learning Sessions

The following Professors have acted as internal resource persons during the **Two week FDP on Advances in Signal and Image Processing with hands-on training using MATLAB.**

- ◆ Prof. S. Bhujanga Rao was the internal resource person for the topic on “Mathematical tools for discrete time signals DTFT, DFT and Z-Transforms”.
- ◆ Dr. P.Srihari was the internal resource person for the topic on “Stochastic Process and Spectral Estimation”.
- ◆ Dr.C.V.Narasimhulu delivered a lecture on “Concept of Orthogonality, Mathematical tools for Continuous time signals: CTFT & LT”.

Guest Lectures

- ◆ A Guest lecture was organized by Group V (Analog Electronics) on 26th August 2019 on “**Circuit Theory – A comprehensive lecture for better understanding**”, by Prof.S.Bhujanga Rao, Prof SNIST, for II year students. 120 students attended this lecture.
- ◆ An invited talk was organized by Group III (Communications) on 17th October 2019 on “**Opportunities and Essentials of writing Research Projects**”, by Dr.P.Sanjeeva Rao, Advisor, R&D, KL University, Vijayawada for the faculty. 60 faculty members from various branches attended this lecture.
- ◆ A two day discourse was arranged for III year students on 11th and 12th December 2019 on “**Career Opportunities and venues for higher Education**”, by Mr.Hemant and Mr.D.Sai Kiran from Byjus under CACG (ECE). A total of 180 students attended.
- ◆ An invited talk was organized by CACG (GCET) for the faculty members on 17th December 2019 on “**Project Based Learning**”, by Dr.S.S.Inamdar, Vice President of Vishwanikethan Mumbai and Dr.Janhavi Inamdar, Director of Vishwanikethan Mumbai. 16 faculty members from ECE Dept. have attended this lecture.

MoUs with Industries

The department has signed MoUs with following industries to facilitate opportunities for faculty members and students to get an exposure of industry on latest technologies in the form of providing internships, guest lectures, industrial visits and mini projects and other academic activities of interest.

- ◆ MoU with M/s Datalog Controls and Solutions Private Limited, Hyderabad with effect from 1st July 2019 for three years.
- ◆ MoU with M/s LED Chip Indus Private Limited, Hyderabad with effect from 15th July 2019 for three years.

Students’ Innovative Club

A student club named **Srujanastra** was formed by the Department by Group IV (Digital Electronics) under the coordination of Prof.K.Somasekhara Rao on 16th October 2019. It is a platform intended for the students to implement their innovative thoughts in the field of Digital Electronics.

Projects carried out under Project Based Learning (PBL)

Electronic Circuit Analysis and Design Lab (ECAD): Three projects were submitted by II year students under project based learning (PBL) in Electronic Circuit Analysis and Design Lab (ECAD) by Group V (Analog Electronics) under the guidance of Dr.S.Suryanaraya.

- ◆ Project titled “**Transient response of RC low pass circuit using MATLAB**”, submitted by C.V.G.Prasad Varma mentored by Ms.J.Mrudula.
- ◆ Project titled “**Design of low cost half wave rectifier with filter for a given ripple factor of 0.9**”, submitted by M.Spandana, M.Srilekha and S.Sahithi mentored by Mr.U.Appalaraju.
- ◆ A project titled “**Selection of operating point from transistor data sheet and hence designing and verification of a self bias circuit for a given stability factor of 15**”, was submitted by Ruchishawa mentored by Mr.U.Appalaraju.

Antennas and Wave Propagation: Five projects were submitted by III year students under project based learning (PBL) in Antennas by Group I (Fields and waves) under the guidance of Prof. B.Hari Kumar, Dr.B.L.Prakash, Mr.P.Naresh Kumar, Ms.A.Sowjanya.

- ◆ Project titled “**Design of Monopole Antenna for X-Band Operation**”, by 183 students.
- ◆ Project titled “**Design of Dipole Antenna for X-Band Operation**”, by 183 students.
- ◆ Project titled “**Design of Loop Antenna for X-Band Operation**”, by 183 students.
- ◆ Project titled “**Design of Horn Antenna for X-Band Operation**”, by 183 students.
- ◆ Project titled “**Design of Microstrip Antenna for X-Band Operation**”, by 183 students.

Microwave Engineering: Four projects were submitted by IV year students under project based learning (PBL) in Microwave Engineering by Group I (Fields and waves) under the guidance of Dr.R.S.Raju, Mr.R.V.N.R.Suneel Krishna and Mr.Ch.Suresh Kumar.

- ◆ Project titled “**Design of a rectangular waveguide for X-Band Applications**”, by 48 students.
- ◆ Project titled “**Design of E-Plane Tee for X-Band Applications**”, by 48 students.
- ◆ Project titled “**Design of H-Plane Tee for X-Band Applications**”, by 48 students.
- ◆ Project titled “**Design of Magic Tee for X-Band Applications**”, by 48 students.

Digital Design: A Two day project competition was held in Digital Design under project based learning on 10th and 11th October 2019 by Group IV (Digital Electronics) under the guidance of Prof.K.Somasekhara Rao, Mr.Ch.Sandeep and Mr.M.Anand. 14 teams of II year ECE students participated.

Activities under Professional Bodies

IEEE:

* A Student peer learning program was conducted under IEEE-SB, GCET on 03rd October 2019 on “**Mission Chandrayaan-A Journey to Moon**”. Ms.V.Sirisha, Assistant Professor of ECE Dept was the coordinator. The resource persons for this program were Ms.V.Lalitha Yamini, Mr.Jatin Ekbote and Mr.P.V.S.Datta Anirudh of IV year . This program is intended for the II year and III year students to create awareness and enthusiasm and develop passion towards advanced satellite systems. A total of 60 students participated.

*A Student peer learning program was conducted under IEEE-SB, GCET on 05th October 2019 titled “**MATLAB**

for **Signal Processing and Communications**”, coordinated by Ms.S.Jyothirmayee, Associate Professor of ECE Dept. The resource persons were 9 students of III and IV year ECE. The target peers were II year students . This program benefited 29 students in their better understanding and practicing of MATLAB.

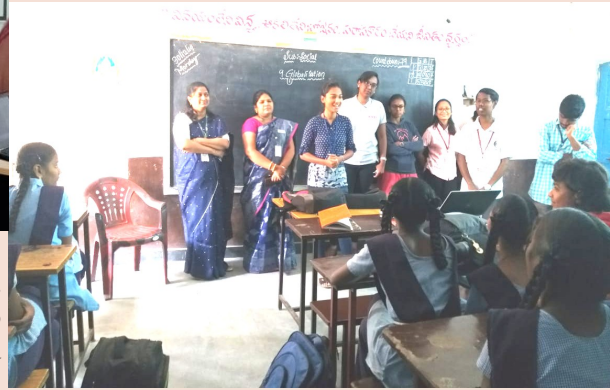

*About 7 Students of ECE department have participated in 24-hour global coding competition on 19th October 2019 “**IEEE Xtreme 13.0**” under IEEE SB, GCET and have secured the global and country ranks . This event was coordinated by Mr.D.Venkata Rami Reddy and Ms.S.Jyothirmayee.

- ◆ A Guest lecture was organized by Group VI (VLSI) under IEEE-CAS for III and IV year students on 7th September 2019 on “**Career Opportunities in VLSI Domain**”, Dr.Y.Avinash, Senior Director Miraфра Technologies Pvt.Ltd, Hyderabad. 58 students attended this lecture.
- ◆ A Guest lecture on “**Latest Algorithms for Automatic Cars**”, in collaboration with IEEE-SB by Group VI (VLSI) was organized on 14th September 2019 for III year students by Mr.Ch.Revanth Reddy (Alumnus of GCET) from Cognizant Pvt. Ltd. 65 students attended this lecture.
- ◆ A Guest lecture was organized by Group III (Communications) under IEEE SB, GCET on 30th September 2019 on “**Role of Communication, Navigation and Surveillance in Aviation**”, by Dr.Ch.Mahesh, SM (CNS), Airport Authority of India (AAI), HAL Hyderabad for IV Year students. 60 students have attended the lecture.
- ◆ A Guest lecture was organized by Group III (communications) under IEEE-SB , GCET on 1st October 2019 on “**Career Guidance and Introduction to Analytics!**”, by Mr.E.Anirudh, Technology Analyst, Infosys Ltd. for III year students. 50 students attended the lecture.
- ◆ A Guest lecture was organized by Group III (Communications) under IEEE SB, GCET on 3rd October 2019 on “**Advances of Mobile Communications**”, by Mr.D.Raju, SDE, BSNL, Hyderabad for final year students. 90 students have attended the lecture.

* Eighth **IEEE Day** anniversary was celebrated on 05th October 2019 in the college. Ms.Ch.Mounica (Alumnus of GCET) ASIC Verification Engineer from Synopsys India Pvt.Ltd. was invited as the chief guest.

* IEEE-WIE Star Event entitled **“IGNITE’19”**, was conducted on 30th December, 2019 to enhance career options after tenth class for ninth and tenth class students of ZP high school, Cheeryal.

An awareness program was also conducted for girl students on Cyber Security.

* Vishwa Prakash Chary Vadla of IV year got selected to attend **“IEEE WIE International Leadership SUMMIT 2019”** at IEEE Bangalore Section and WIE Affinity Group Bangalore Section, Bangalore from 30th - 31st August, 2019.

* Mr.Vishwa Prakash Chary , Ms Aleshia from IV year and Mr.Nithish kumar from III year attended **Section Student Congress’19** on 10th August 2019 at JN Auditorium, JNTU Hyderabad.

* IEEE Robotics and Automation Society SB Chapter has been approved and formed on 30th December 2019 with Geo-Code:SBC05841.

IETE:

* A Two day workshop on **“Data Science using Python”** was organized by the department of ECE on 26th and 27th September, 2019 under the coordination of Mr.U.Appalaraju, Assoc.Prof. for second year students. 74 students participated this event. The resource persons were Mr.Pramod, Capability lead at Thought Works, Mr.Harisai, Software Development Engineer in Vitwit technologies, Ms.Maithreie, from Cap Gemini.

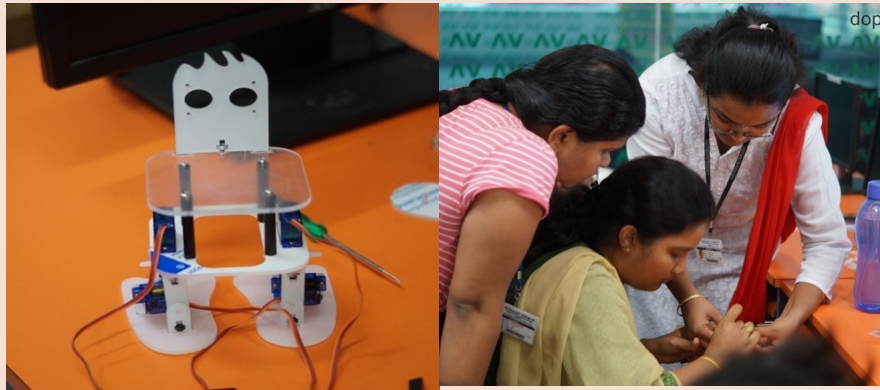

* A Guest lecture was organized by Group II (Signal Processing) by Dr.K.M.M .Rao former director NRSC (ISRO) and Adjunct faculty of Bits-Pilani, Hyderabad campus on 19th September 2019 on **“Real time applications of image processing”**, for IV year students. 50 students have attended the lecture.

* Dr C.V.Narasimhulu, Dr P.Sudhakar, Mr.U.Appalaraju, and Mr.M.Krishna had attended Annual General Body meeting (AGM) of IETE Hyderabad Centre for the year 2018-19 at IETE Hyd Centre, O.U campus on 25th August 2019.

ISTE:

* A Guest lecture was organized by Group III (Communications) on 23rd December 2019 on “**Employment opportunities in Optical Communications**”, by Shaik Kareem, CEO and Mr.K.Ravi Kiran, Director of FTTH (Fiber Technology to Home) and Smart Technologies Pvt. Ltd. for III year students. 90 students attended this lecture.

* A two day national level workshop on “**Humanoid Robot Development**” was organized for B.Tech students by ISTE student chapter and Incubation centre in association with EduxLabs, Gurugram on 9th and 10th August, 2019. This event was coordinated by Ms.M.Soujanya, Assoc. Prof. on behalf of ECE department. 48 students participated in this workshop.

**Enrichment of the Department**

Prof S.Bhujanga Rao has joined the department in the month of September 2019 as Professor. He has a total experience of 45years which includes 25 years of industrial experience His areas of expertise includes Design, Testing, Quality control, Training engineers in consumer electronic products. He headed the R&D section of TVD where digital TV, Skyvision TV and a couple of projection TVs were successfully developed and introduced into consumer electronics. He won the best teacher award for six times and has 4 International and 5 National level research papers.

Dr.P.Srihari has joined the department in the month of November 2019 as Professor. He has a total experience of 30 years. He has published technical papers in 14 National Conferences, 15 International Conferences, 7 National Journals and 24 International Journals. He has delivered 21 prominent talks as resource person in several Faculty Development Programs. He has given guest lectures in various engineering colleges for more than ten times. His areas of research interest includes communication engineering and signal processing.

Dr. Vallisree S joined the department in the month of December 2019 as Associate Professor. She completed her ME from Anna University (University rank holder) in VLSI Design. She worked with Infosys Ltd as a Technical Test lead for 8 years and received several star awards and best project awards. She completed her Ph.D from IIT ISM Dhanbad in the area of optoelectronics. She has 2 SCI journal publications, 3 peer-reviewed journal publications and 4 conference publications. She has 31 citations from her publications and her h-index is 3.Her research interests include VLSI Interconnects and devices, Modeling of High Performance Multi-junction Solar Cells.

R&D Activities of the Department

- ◆ Prof.O.V.P.R.Siva Kumar has been nominated as Co-Principle Investigator on 24th October 2019 for the project titled “**Development of Novel Carbon Nanotube/Polymer Nanocomposite Materials for EMI Applications**”, sponsored by DRDO.
- ◆ Prof.O.V.P.R.Siva Kumar went through a review of the above project in Directorate of Extramural Research & Intellectual Property Rights (ER & IPR), DRDO, New Delhi on 2nd December 2019 to update the status of the above project.
- ◆ Dr.V.Satya Srinivas attended 2nd Group Monitoring Meeting held on 23rd and 24th August, 2019 at Centre for Earth, Ocean and Atmospheric Sciences, University of Hyderabad for presenting the work on the completed project funded by SERB, titled “**Investigation of Linear Combinations of GNSS Measurements to mitigate the effect of Ionosphere and Multipath (SR/FTP/ES-156/2014)**”, which had a duration from 23rd September 2015 to 31st April 2019. The project was successfully completed with 7 IEEE Conference papers. These papers were presented at URSI Asia Pacific Radio Science Conference held at New-Delhi from 9th - 15th March 2019.

Centers of Excellence in VLSI and IoT & Embedded Systems

The department has established two centers of excellence in VLSI and IoT & Embedded Systems to train the students in these core areas and facilitate them to work on innovative projects.

Center of Excellence in VLSI was established on 8th May 2019 with Prof.O.V.P.R.Siva Kumar as Coordinator and Ms.G.Sreelakshmi, Mr.B.Jugal Kishore and Ms.B.Mamatha as Members.

The following were the line up of events that took place under CoE-VLSI:

- ◆ Visit to CoE-VLSI BVRIT (Narsapur) as a precursor, on 03th April 2019.
- ◆ Visit to HySoC Technologies Pvt.Ltd (Hi-Tech City) on 10th July 2019.
- ◆ A Guest lecture was organized under IEEE-CAS on 30th August 2019 on “**Challenges and opportunities in Analog & Digital IC Design**”, by Dr.A.G.Krishna Kanth, Senior Manager, AMS Semiconductors, Hyderabad for III year students.
- ◆ Screening test was conducted to III and IV B.Tech(ECE) in which 155 students participated and 79 students were short listed for CoE-VLSI.
- ◆ Classes and hands-on lab sessions are conducted for the shortlisted students every Saturday from 7th September, 2019 .
- ◆ A Guest lecture was organized under IEEE-CAS on 7th September 2019 on “**Design for Testability**”, by Mr.Durga Prasad, Mr.Sridar, from HySoC Technologies Pvt.Ltd.
- ◆ A Guest lecture was organized under IEEE-CAS for III and IV year students on 07th September 2019 on “**Physical Design Flow**”, by Ms.Ramya from MiraFra Technologies Pvt. Ltd.
- ◆ An interaction session was held on 05th October 2019 with Ms.Ch.Mounica (Alumna of GCET) ASIC Verification Engineer from Synopsys India Pvt.Ltd.
- ◆ Mr.Raja Bandi, Founder - Lucid VLSI delivered an invited talk on 16th October 2019, followed ny a Two Week workshop for students on "Advanced Digital Design using VERILOG HDL
- ◆ 25 students of IV B.Tech attended test for Internship in HySoC Technologies Pvt.Ltd., in which 8 are shortlisted for interview. Three students K. Vinay kumar, P. Anil Kumar and A. Sri Nithya are selected for the internship.

 Venue: VLSI LAB, Department of ECE, Block-I, GCET

Center of Excellence in IoT and Embedded Systems was established on 17th August 2019 with steering members Prof.K.Somasekhara Rao (Coordinator), Mr.Ch.Sandeep, Ms.G.Sreelakshmi, Ms.M.Laxmi, Ms.M.Uma Rani Ms.B.Sreelatha, Ms.A.R.L.Padmaja and Mr.M.Anand.

The activities happened under CoE-IoT and Embedded Systems:

- ◆ Visit to Bits-Pilani Hyderabad Campus on 22nd August 2019.
- ◆ Visit to Hanbit Instruments at Cherlapalli on 11th October 2019.
- ◆ Visit to Srinidhi Institute of Science and Technology on 16th October 2019.
- ◆ A five day In house FDP on “**Raspberry Pi Applications in IoT**”, under the coordination of Ms.B.Sreelatha, was conducted from 15th to 19th October, 2019. The resource persons were Mr.Ch.Sandeep, Asst. Prof. from GCET ECE Dept, Mr.V.Shivanarayana Reddy , Assoc.Prof. from GCET CSE Dept, Mr.Y.V.N.Phani Kishore Asst. Prof. from CSE Dept GCET, Dr.Ameet Chavan Professor Dean from SNIST and Ms.Priyanka Asst.Prof from SNIST ECE Dept.

Updates on MODROBS

The recently sanctioned financial grant to the department by AICTE under MODROBS of Rs. 8.23 lakhs, was utilized for purchasing a **PCB Manufacturing Unit**. With an initial fund of Rs. 6,58,400 released on 2nd May 2019, the machine is purchased from M/s.APPLY VOLT on 25th November

2019 for an amount of Rs.6,00,810. In this regard a training program was conducted for the faculty on 9th and 10th December 2019. This machine would open doors for the students to design and develop PCBs and Patch antennas indigenously for various projects and facilitate to carry out research activities.

Industrial Visits Organized

S. No	Year	Date of visit	Name of the Industry Visited	No. of Students	No. of Faculty
1	IV	28 th August 2019	SAFVI Pre-Cast Walls, Cheeryal, Hyderabad	50	1
2	II	26 th June 2019	Datalog Controls and Solutions Pvt.Ltd, Cherlapally, Hyderabad	259	8
3	-	29 th November 2019	NRSC, Jeedimetla, Hyderabad.	—	15
4	III	20 th and 21 st December 2019	Indian Meteorological Department, Begumpet, Hyderabad	160	7

Faculty Achievements

- ◆ Prof.K.Somasekhara Rao has been appointed as independent director in the company **Kernex Micro Systems India Ltd** on 1st October 2019.
- ◆ Mr.U.Appalaraju received a certificate of participation as Faculty mentor in “**DST and Texas Instruments India Innovation Challenge Design contest 2019**” powered by AICTE and sponsored by NSRCEL@IIMB.
- ◆ Dr.V.Satya Srinivas, Assoc. Prof. has received **URSI lifetime senior membership** (M184009095523).

Faculty Interaction with Outside World

- ◆ Dr.S.Suryanarayana gave an invited talk on “**Information Security Using Processing in Transform Domain- A Study**” in All India Seminar on “Cyber Security and image Processing” on the occasion of centenary celebrations of IEI (The Institute of Engineers-India (TS State Centre)) held on 10th and 11th August, 2019 at Visvesvaraya Bhavan, Khairatabad, Hyderabad.
- ◆ Dr.V.Satya Srinivas gave an invited talk on “**Research trends in GNSS**” in a two day symposium at Research and Training Unit for Navigation Electronics (NERTU), Osmania University, Hyderabad, held on 8th and 9th September, 2019.
- ◆ Dr. V.Satya Srinivas presented a poster on “**Multipath Environment Analysis using GNSS interferometric Reflectometry (GNSS-IR) Technique**” at 2nd Triennial conference of Federation of Indian Geosciences Association (FIGA) at NGRI Habsiguda held from 13th to 16th October, 2019.
