Inside the Issue

Guest Lectures/Workshops conducted for Students

♦ Guest Lecture on **"Information Security Tools - Hands-on"** was conducted for III Year CSE students on 7th May, 2022. The resource person for the guest lecture was **Mr. J Jeevan Chandra**, Software Engineer-Malware Analyst, Mindtree. A Total of 172 students attended the program. The objective of the guest lecture is to make students explore information security tools like NMAP (Network Mapper), Wireshark tool (packet sniffer and analysis tool).

♦ A Three day workshop on **"Ethical Hacking and Cyber Security"** was conducted for II Year, III Year CSE students and II Year Emerging Areas students (Cyber Security, Data Science, AIML, IoT) from 21st April to 23rd April, 2022, by the **Cyber Security Club** of Geethanjali College of Engineering & Technology in association with Supraja Technologies. The resource person for the workshop was **Mr. Santosh Chaluvadi,** CEO, Supraja Technologies. A total of 130 students attended the workshop and 53 students were selected for internships with Supraja Technologies. The objective of the workshop is to familiarize students with basic concepts of cyber security such as authentication, confidentiality, integrity, availability and also security architecture, security policies, information security tools, real-time hacking techniques, prevention and detection of cyber attacks.

Guest Lecture on "Information Security Tools"

Students Peer Learning

♦ A Two Day Workshop on **"Digital Safety"** was conducted for II Year CSE students and II Year Emerging Areas students (Cyber Security, Data Science, AIML, IoT) on 25th, 26th February, 2022 by the **Cyber Security Club** of Geethanjali College of Engineering & Technology. A Total of 152 students attended the workshop. The resource person for the workshop was **Mr. V. Sai Prakash Chary** (19R11A05E1), III Year CSE Student, GCET. The objective of the workshop was to raise awareness about digital safety among students, who spend a lot of time on social media.

Workshop on "Digital Safety"

Value Added Courses/Training Programs/Student Development Programs

♦ A Value Added Course on **"Python Programming"** was conducted for B.Tech. second year CSE students from 26th February to 04th June, 2022. A Total of 130 CSE students attended the training program. The resource person for "Python Programming" was **Mr. M Srinivas,** Professor, CSE Department, GCET.

Value Added Course on "Python Programming"

Value Added Courses/Training Programs/Student Development Programs

- **"WIPRO JAVA J2EE Training Program"** was conducted for B.Tech. final year CSE, IT, ECE, EEE students from 13th June to 5th Aug, 2022. A Total of 207 CSE students participated in the program. The resource persons for the training program were **Mr. G. Praveen Kumar,** Assistant Professor, CSE Department, **Mr. S. Ramanjaneyulu,** Assistant Professor, CSE Department, **Mr. P. Chandra Sekhar Reddy,** Assistant Professor, CSE Department, **Mr. K. Naresh Babu,** IT Department, **Mrs. K. Padmaja,** Assistant Professor, CSE-AI&ML Department, GCET.

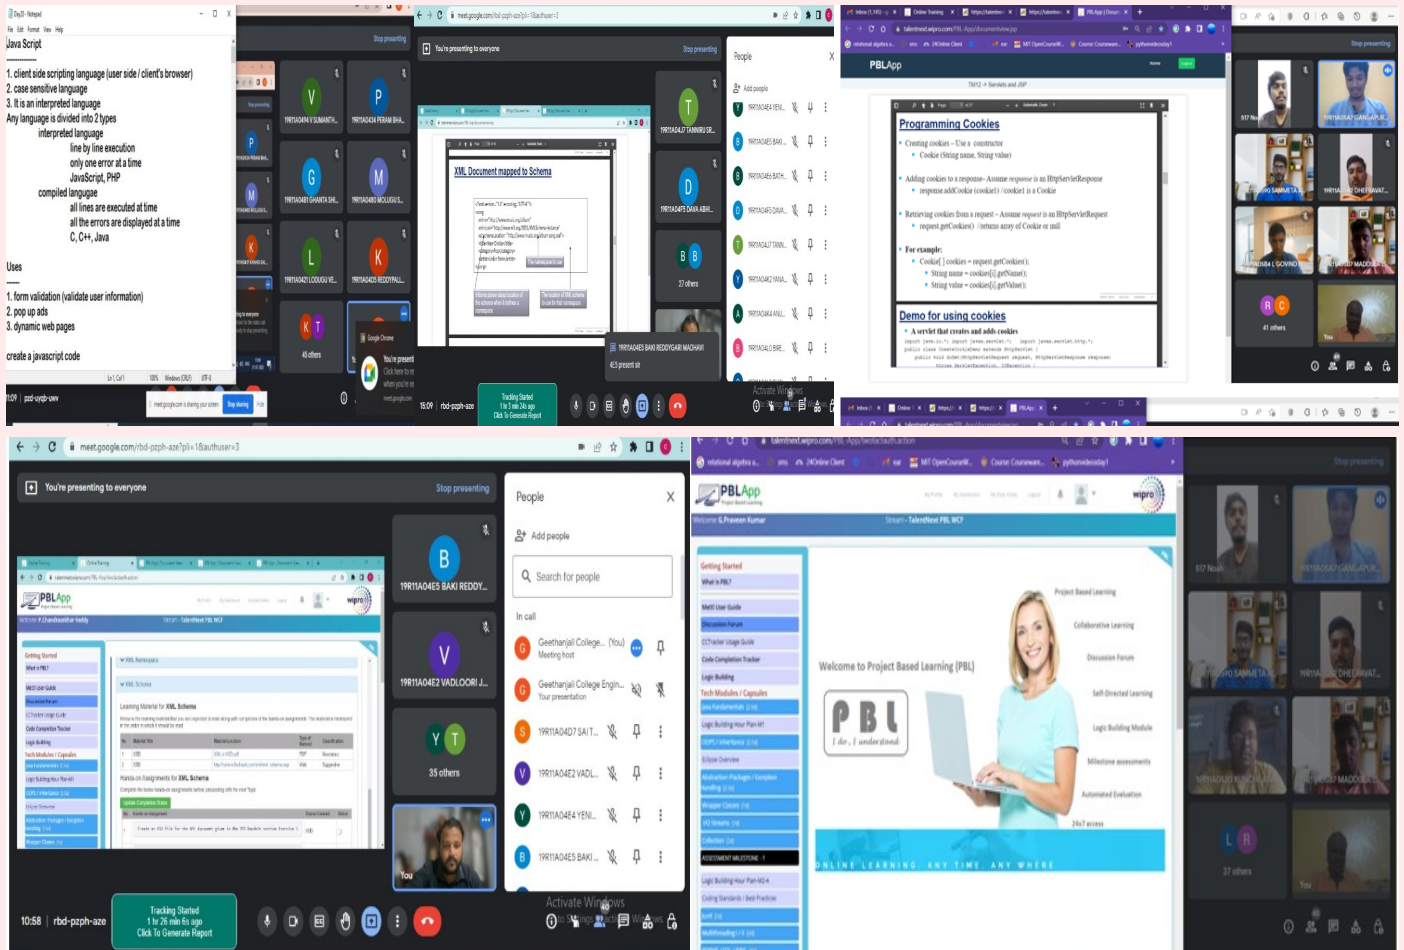

"WIPRO JAVA J2EE Training Program"

- **"Programming Essentials in C"** Certification Course by **CISCO Networking Academy** was conducted for CSE I Year students from May, 2022. The training program was coordinated by Mr. K. Naresh Babu, Assistant Professor, IT Department and Ms. V. Sagarika. Assistant Professor, CSE Department.

- **"IT Essentials"** Certification Course by **CISCO Networking Academy** was conducted for CSE-II Year students from May, 2022. The training program was coordinated by Mr. K. Naresh Babu, Assistant Professor, IT Department and Ms. V. Sagarika. Assistant Professor, CSE Department.
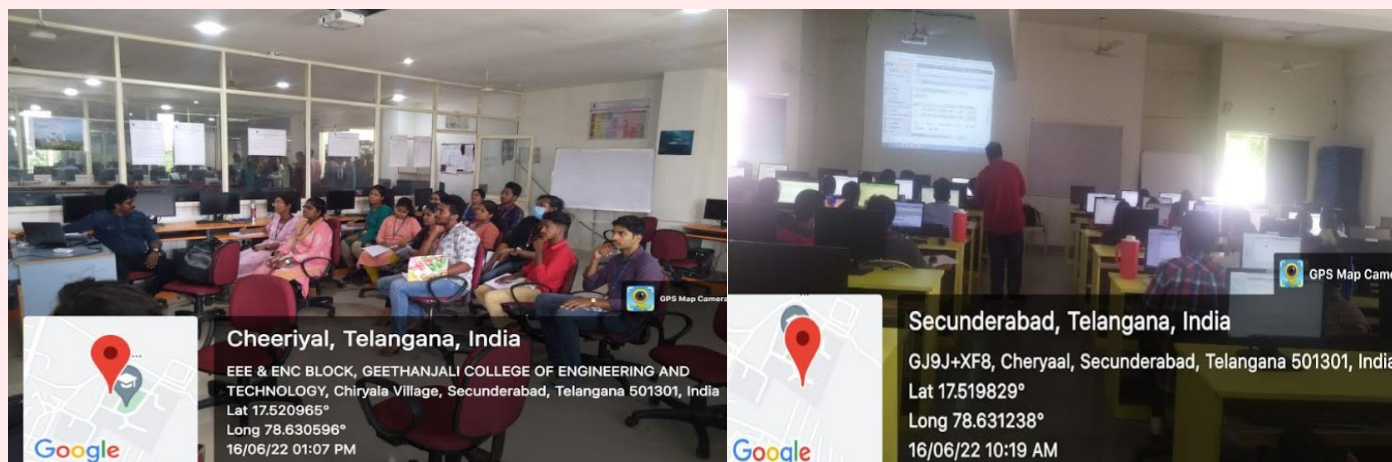

Value Added Courses/Training Programs/Student Development Programs

♦ **"Networking Essentials"** Certification Course by **CISCO Networking Academy** was conducted for CSE III Year students from May, 2022. The training program was coordinated by Mr. K. Naresh Babu, Assistant Professor, IT Dept., and Ms. V. Sagarika, Assistant Professor, CSE Dept., GCET.
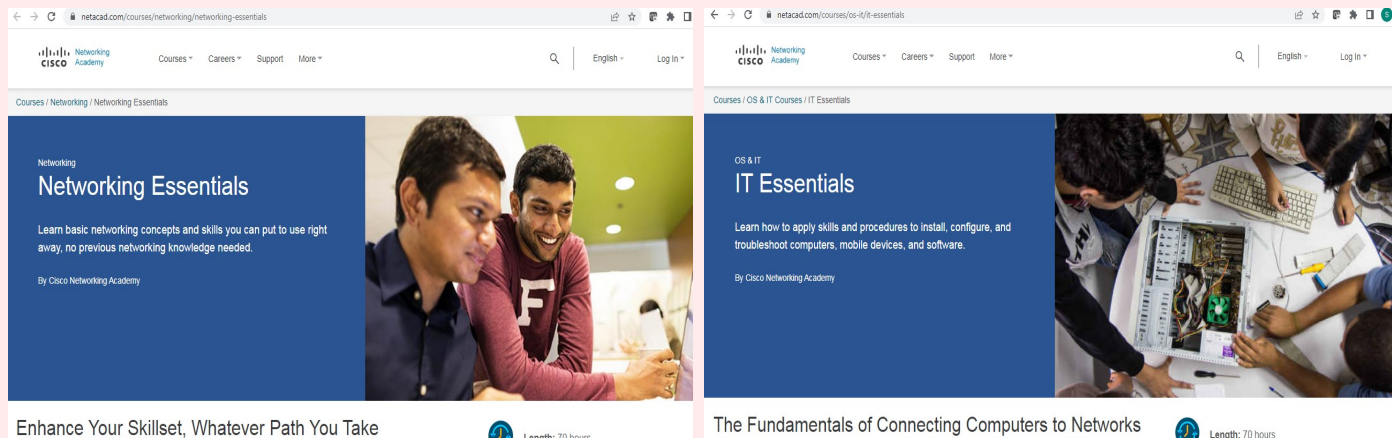

CISCO Networking Academy Courses - "Networking Essentials" & "IT Essentials"

♦ **"ORACLE ACADEMY MODULE - JAVA Fundamentals"** certification program was conducted for B.Tech. II Year and III Year CSE students from 10th Dec, 2021 to 30th June, 2022. A Total of 169 CSE students participated in the certification program. The coordinators for "JAVA Fundamentals" certification program were **Mr. K. Naresh Babu,** Assistant Professor, IT Dept., and **Mr. S. Ramana Reddy,** Assistant Professor, CSE Dept., GCET.

♦ Training Program on **"Programming Skills" - Phase 1** was conducted for B.Tech. CSE III Year students from 17th January 2022 to 25th April, 2022 on every Monday and Tuesday in a week and **"Programming Skills" - Phase 2** was conducted for B.Tech. CSE III Year students from 13th June 2022 to 16th July, 2022. The overall faculty coordinator for the training program was **K.Gnana Mayuri,** IT Dept., GCET. A Total of 173 students attended the training program. The resource person for the training program was faculty from **Cantilever Labs.**

Placement Training Program on "Programming Skills" by Cantilever Labs

Value Added Courses/Training Programs/Student Development Programs

- Training Program on **"Advanced Programming Skills"** was conducted for B.Tech. CSE III Year students from 22nd October, 2021 to 18th April, 2022. A Total of 76 students participated in the training program. The resource persons for the training program were **Mr. Amit Bansal, Founder, Smart Interviews** and **Ms. K. Anusha, Smart Interviews**, Hyderabad.

- Training Program on "**Quantitative Aptitude"** was conducted for B.Tech. CSE II Year Students from 7th March 2022 to 28th May 2022, on every Saturday in a week. The resource persons for the aptitude training were **Mr. M. Srinivas,** Associate Professor, CSE Dept., and **Mr. D. Venkateswarlu**, Associate Professor, CSE Dept., GCET. A Total of 264 students participated in training.

- **Aptitude Training** through videos by **"CreateU"** - conducted for B.Tech. CSE III Year Students from June 2022 to July 2022, coordinated by Mr. M. Srinivas, Associate Professor, CSE Dept. A Total of 261 students participated in the aptitude training. The resource persons for the aptitude training were **Mr. Crisna Chaitanya Reddy** and **Mr. Vamsi Krishna Reddy**, founders, **CreateU Organization.**

VIRTUSA - Students ITIL Certification

- A Total of eighteen IV Year students (CSE:9, ECE:9) have successfully completed the certification requirements for the **"Information Technology Infrastructure Library (ITIL) Foundation Certificate in IT Service Management"**, issued by **AXELOS Organization** and **PeopleCert.**

  ITIL certified students list is given below:

Faculty Development Programs

♦ One week **Online Faculty Development Programme** on **"Design Thinking"** was conducted from 24th to 29th January, 2022, organized by the Department of Computer Science and Engineering of Geethanjali College of Engineering & Technology in association with Computer Society of India. The Coordinators for the FDP were Mrs. C. Esther Varma, Associate Professor, CSE Dept., and Mrs. P. Haritha, Assistant Professor, CSE Dept., GCET. The resource persons for the FDP were **Dr. N. Sandhya,** Professor, VNR Vignana Jyothi Institute of Engineering and Technology, **Dr. Chakravarthula Kiran,** Associate Professor, VNRVJIET, **Mrs. Archana K. Bhange,** Senior Assistant Professor, VNRVJIET, Hyderabad. A Total of 67 faculty members from GCET and 7 faculty members from other colleges like Vel Tech. Rangarajan, Vardhaman College of Engineering, Golden Valley Integrated Campus, JNTUA College of Engineering, Deccan College of Engineering and Technology, Osmania University College for Women, were participated in the FDP. The objective of the FDP is to understand the art of thinking, design thinking as a strategy for innovation, mastering tools and techniques of design thinking, understanding problems from a customer perspective and lateral thinking techniques for finding solutions to those problems.

Faculty Development Programs

♦ A Two Week **Short Term Training Programme (STTP)** on **"Machine Learning"** was conducted from 28th February to 25th June, 2022 (every Monday and Tuesday in a week) organized by the Department of Computer Science and Engineering of Geethanjali College of Engineering & Technology. The resource person for the FDP was **Mr. M. Srinivas,** Professor, CSE Department, GCET. A Total of 35 faculty members from GCET attended the STTP. The objective of the STTP was to acquire knowledge of supervised learning, unsupervised learning & reinforcement learning methods. The outcome of the STTP is to understand the machine learning algorithms, neural networks, genetic algorithms and to develop an efficient machine learning model.

Faculty Achievements

♦ **Mr. S. Ramanjaneyulu,** Assistant Professor, CSE Department, has successfully completed the certification requirements for **"Wipro Certified Faculty"** and **Recognized as a Mentor** for Project Based Learning in **Java J2EE**.

♦ **Mr. P. ChandraSekhar Reddy,** Assistant Professor, CSE Department, has successfully completed the certification requirements for **"Wipro Certified Faculty"** and **Recognized as a Mentor** for Project Based Learning in **Java J2EE**.

♦ **Mrs. K. Padmaja,** Assistant Professor, CSE-AI&ML Department, has successfully completed the certification requirements for **"Wipro Certified Faculty"** and **Recognized as a Mentor** for Project Based Learning in **Java J2EE**.

♦ **Mr. K. Naresh Babu,** Assistant Professor, IT Department, has successfully completed the certification requirements for **"Wipro Certified Faculty"** and **Recognized as a Mentor** for Project Based Learning in **Java J2EE**.

♦ **Mr. R. Venkata Sudhakar,** Assistant Professor, CSE Department, has received a **Certificate of Recognition** from **EPAM Systems India Private LTD.,** for successfully completing the training & certification requirements for **"Front-End Technologies",** as part of EPAM Centre of Excellence.

Faculty Achievements

- **Dr. S. Udaya Kumar,** Principal & Professor of CSE Department, was a **Resource Person** for the invited talk on **"Best Practices in Technical Education Financial Sustainability of Universities",** Delivered on 09-April-2022 at **All India Conference of Vice Chancellors of Universities offering Engineering and Technology Programs,** held at **JNTU Hyderabad.**

Dr. S. Udaya Kumar, Principal & Professor of CSE Dept., GCET

Faculty Interaction with outside world

- **Dr. A. SreeLakshmi,** Professor & HOD, CSE Department, was a **Technical Committee Member** for the DB3D-2021 Conference.

- **Dr. Kamakshaiah Kolli,** Associate Professor, CSE Department, was a **Reviewer** for the **3rd International Conference** on Advances in Computer Engineering and Communication Systems.

- **Dr. K. Ambedkar,** Associate Professor, CSE Department, was a **Reviewer** for **"Springer Nature Computer Science peer reviewed Journal".**

- **Dr. Rakesh Kumar Donthi,** Associate Professor, CSE Department, was a **Reviewer** for the **7th Students Conference on Engineering & Systems 2022(SCES-2022)** from 1st July to 3rd July, 2022, organized by the Department of Electrical Engineering, Motilal Nehru National Institute of Technology, Allahabad, India.

Faculty Patents Published

- **Dr. Neeraja Koppula**, Professor, has secured a patent publication titled **"Artificial Intelligence based lifetime prediction and deployment strategy for wireless sensor networks"** with the application number 202241008530, in March 2022.

The resource person for the webinar was **Mr. T.Vidya Sagar,** Cloud and Data Security Architect at Tata Consultancy Services Ltd. & Chair of IEEE Student Activities Committee (SAC), Hyderabad. A Total of 78 students attended the seminar.

Session on "Digital Marketing"   **Virtual Industrial Visit to "ACCELQ"**

♦ **"Virtual Industrial visit"** held on 27th February, 2022, organized by professional society IEEE-CS-GCET-SBC. A Total of 41 students participated in the Virtual Industrial Visit.

ROBOTICS CLUB ACTIVITIES

♦ **ROBOCORE 2022** event was held on 29th April, 2022 by the Robotics Club of the CSE Dept., GCET. Two events are conducted as a part of RoboCore 2022, such as **Boot Quiz** and **Robo Prototype**. A Total of 71 students from all the departments (CSE, IT, CSE-AIML, CSE-DS, CSE-CS, CSE-IoT, ECE, EEE, ME) were participated in the BOOT Quiz event and a total of 06 teams participated in the ROBO PROTOTYPE event. The students demonstrated different ROBO prototype models.

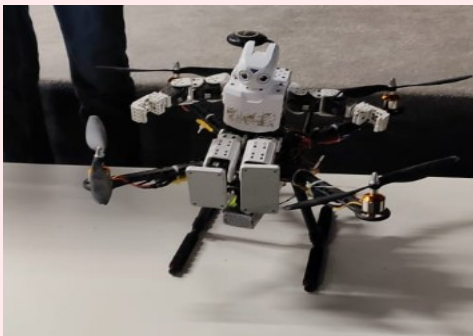

ROBOTICS CLUB ACTIVITIES

"Navarith Pradarshan 2K22 – innovation as an act to exhibit" event was held on 30th March, 2022, organized by the ECE Dept., in association with ISTE, IIC and JHUB. The event coordinators were Mr. K. Somasekhara Rao, Dean Student Affairs and Professor of ECE Dept., Ms. B Sree Latha, Associate Professor, ECE Department.

Projects developed under the Robotics Club are exhibited in the program. For this exhibition, two schools are invited to visit and explore the technological development of the robot models. The list of schools that were visited for the event includes Pinion High School, Jawaharnagar, Dammaiguda and Matrusri E&L School, Nallakunta. A Total of 200 school students and 8 school teachers have attended the event.

The Robotics Club faculty coordinator was Mr. G. Praveen, Assistant Professor, CSE Dept. As a part of the event, **Five projects** from the Robotics Club are exhibited and the list of projects is given below:

S.No.	Name of the Project Team	Title of the Project	Branch/Year	Project Exhibition Location
1	TROBO	TURTLE BOT	CSE - II Year	Block-4 104
2	AIRSTRIKER 550-MT	Medical Assistant Drown	CSE - IV Year & ECE - III Year	Block-4 104

- The Department of CSE has received the overall performance award for the Women's Day event.

Unnat Bharat Abhiyan (UBA) Sanctioned Project:

UBA sanctioned an amount of Rs. 53,000/- to GCET on 30th March, 2022 to develop a project titled **"Rampally Dayara Property Tax Management System".** The project is sanctioned under the UBA SEG – Others Category-Technology Development. The main objective of the project is to develop a web application titled "Rampally Dayara Property Tax Management System". The sanctioned project will be donated to "Rampally Dayara Village" as part of the UBA Scheme.

Description of the Project:

♦ The Rampally Dayara Village Panchayat is facing a problem with property tax assessment. The physical records to be maintained are enormous and it has been tedious task for the management to keep track of all the details of tax payers and their taxes; as the result the transparency between the villagers and the village panchayat is declining at an alarming rate.

♦ The website would be helpful for maintaining the information of the tax payers who paid the tax amount and the tax amount they need to pay later. The proposed solution will avoid frauds and provide security to the information.

♦ **CSE Department Faculty** has submitted project proposal Titled **"Rampally Dayara Property Tax Management System"** on 10-Feb-2022. The project was approved by UBA on 15-March-2022.
