Geethanjali college of pharmacy conducted workshop for Pharm D students on "Introduction to clinirex and hands on Practice" from 06.07.22 to 07.07.22. The objective of training was to make students to utilize the database for case studies. Ms. **G.Laxmiprasanna** started with introduction and explained in detail how clinirex database is useful in clinirex cases that were collected in hospital. She said about the uses of database case analysis, case presentation, editing and saving in entered database. She further showed the students on how to login Id and use the software. On the last day of program, she made the students to login with id provided and made them to enter the case studies and generate report. Around 25 students attended this informative program.

One day workshop was organized on "Uses and Application of Animal Simulator" for III year B.Pharm Students on 17.08.2022 by Geethanjali College of Pharmacy. The main objective of the training was to prepare the students to use animal simulator perfectly for doing their pharmacological experiments. On the first day, **T. Anoosha** explained the importance of animal simulator and how it was useful for knowing the mode of drug action in pharmacological Experiments. She used the projector as a mode of teaching. She provided the data required for logging into the software with all the students. Around 56 students attended the workshop. At the end of session feedback was taken from students. Students said that this workshop greatly expanded their understanding levels on how experiments can be done without harming animals by using software
