Report on Conduction of Guest Lecture

The Department of pharmacy had successfully conducted a lecture on the topic "How to face Interview and commonly asked interview Question & Answers" by Prof M. Ravi Kumar Principal, Geethanjali college of pharmacy organized in association with the **Career Guidance Cell** of GCPK on 02nd Feb 2023.

Principal sir gave a brief note on "How to face Interview and commonly asked interview Question & Answers". Sir shared with us his professional experience and his journey in the field of pharmacy. He gave us a glimpse on how the interview happens using one of the fascinating techniques- role-play. We were then enlightened on the insights of art and techniques of handling the personal interviews. Sir also touched upon how to qualify in group discussion session which most of the Corporates conduct during placement drives.

Sir advised all of us to evaluate ourselves through SWOT Analysis every week and bring newspaper reading to practice.

In the end, sir discussed in detail the type of questions and answers frequently asked in interviews, and also questions, a candidate can ask the interviewer that would help in leaving a good impression.

Overall, it happened to be an interactive session with immense learning, thereby enhancing our knowledge and skills in regard to placement purposes. The topic was received very well by the session participants.
