Subject: Join the campaign to celebrate DR. Abdul Kalam's Birth Anniversary as "Innovation Day"- Reg.

Dear Friend,  
Greetings from MHRD's Innovation Cell

Dr. Abdul Kalam once said that "Innovation is born out of the cultural excellence", and to achieve this cultural excellence and shift in traditional culture of education, MHRD's Innovation Cell is working diligently through its various initiatives. On occasion of MIC Annual Innovation Festival (11th September 2019) as a citizen of this country I have expressed my views in front of representatives from more than 1000 Institutes to celebrate October 15, 2019 as Innovation Day - the birth anniversary of visionary and well acclaimed proponent of Innovative India, former President, Dr. A. P. J. Abdul Kalam.

As an aspiring society our role should be to recognise, facilitate and felicitate the innovations and best practices around us specially in our educational institutes and surroundings.

I appeal and invite your Institute to celebrate Innovation Day. Together we can achieve and strengthen the vision of Dr. Kalam for better and Innovative India. To mark this fortnight celebration, I am supplementing your thoughts by suggesting certain activities few of which can be carried out from 1st October 2019 till 15th October 2019.
