REPORT ON PRE-PLACEMENT TRAINING PROGRAM - EMPLOYABILITY SKILL MAHINDRA PRIDE TRAINING PROGRAMME

INTRODUCTION

The Pre Placement Training aimed at sharpening the skills of individual's for success in placement tests. The program spans across days with experts with relevant experience from the industry enabling the transition from college life to corporate ready individuals. A perfect blend of soft skills and relevant information ensures that the students develop confidence and are ready to face the selection process.

All companies which recruit students from various technical institutes look for different technical skills and personality traits before making an offer to the students. In order to sharpen their technical skills and polish their communication skills and make them ready for the corporate world, GEETHANJALI COLLEGE OF PHARMACY offer different training programmes for each student. These programs aim at preparing the students from a campus point of view.

TRAINING PROGRAM: MAHINDRA PRIDE CLASSROOM (Employability Skill)

PROGRAM DETAILS:

MPC's Online training program on the "Employability Skill" for final year students from 6th April to 12th April and mock interviews conducted on 14th April.

Report on Conduction of Guest Lecture

The Department of pharmacy had successfully conducted a guest lecture on "Pharmacist Intervention in Resolving Drug Therapy Problems" on 2nd December 2019, Monday in seminar hall at Geethanjali College of Pharmacy. The content covered was beneficial for the students by imparting the knowledge of drug related problems, identifying DRPs and their management.

In welcome speech, Prof M. Ravi kumar (Principal) expressed his word of gratitude to the guest of honour Dr. Karthik Rakam, Pharm.D, President Pharmacon Society and addressed students regarding the content of the lecture. The guests were felicitated with a flower pot.

The Guest Lecturer gave a brief note on opportunities, demands and challenges faced by Pharm.D students in the real time scenario. He also explained about dose calculations and dosage adjustment in renal and hepatic impairment. There was an interactive session between the students and the Guest Lecturer. Students clarified their doubts regarding Clinical Pharmacy services, Pharmacovigilance and the job opportunities in the same fields. He then concluded his talk by advising the students to plan for a smaller yet complete methodology and attaining proper skills in the same. Over all programme of guest lecture went on smoothly and get good responses from students.

REPORT ON CAREER GUIDANCE EVENT CONDUCTED

The Department of pharmacy had successfully conducted a **CAREER GUIDANCE EVENT** on **“ADVANCES IN EVIDENCE BASED MEDICINE – LEARNING AND TEACHING FROM BENCHSIDE TO BEDSIDE”** on 9th January 2020, Thursday in GHULAM AHMED AUDITORIUM at SULTAN-UL-ULOOM COLLEGE OF PHARMACY. The content covered was beneficial for the students by imparting the knowledge on clinical trials.

The speaker Dr. sohil khan, Faculty, School of Pharmacy & pharmacology, Griffith university, Gold coast, Australia and research fellow at the master research institute and addressed students regarding the content of the lecture. The guests were felicitated with a flower pot.

There was an interactive session between the students and the Guest Lecturer. Students clarified their doubts regarding clinical trials, how a graduate student from India can be registered in Australia to deliver clinical services and the job opportunities in the same fields. He then concluded his talk by advising the students to learn clinical services at college level and attaining proper skills in the same. Over all programme of guest lecture went on smoothly and got good response from students.

Report on Conduction of Guest Lecture

The Department of pharmacy had successfully conducted a guest lecture on "How to crack Group Discussion and Communication-Skill Development" on 10th Aug 2018, Friday in seminar hall at Geethanjali College of Pharmacy. The content covered was beneficial for the students by imparting the knowledge of Group discussion.

In welcome speech, Prof M. Ravi kumar (Principal) expressed his word of gratitude to the guest of honour Dr.T.Venkat Rajaiah , Retired Professor, University college of Arts & Science, and addressed students regarding the content of the lecture. The guests were felicitated with a flower pot.

The Guest Lecturer gave a brief note on the topic. He explained that Group discussions are a creative and dynamic activity which stimulates reflective thinking among the members. Group discussions may be defined as an activity in which a small number of persons meet face to face and exchange and share ideas freely or attempt to reach a decision on a common issue. In a group discussion, an individual's thought process is influenced by the views and opinions of the other members. It also depends on where and in which direction the mood of the discussion moves. In a group discussion, each participant is free to speak his views. A successful discussion involves both listening and speaking.

It was well attended by faculty and students. Faculty and students gained knowledge on group discussion, time management, optimism, communication skills, critical thinking, focusing on improving skills, team work and stress management.

Report on Conduction of Guest Lecture

The Department of pharmacy had successfully conducted a guest lecture on "Pharmacy Practice in USA & Job Opportunities for Pharm. D Graduates" on 5th Dec 2018, Wednesday in seminar hall at Geethanjali College of Pharmacy.

In welcome speech, Prof M. Ravi kumar (Principal) expressed his word of gratitude to the guest of honour Mr. Mohan Yellepeddi, RPh, MBA, USA and addressed students regarding the content of the lecture. The guests were felicitated with a flower pot.

He explained that in many clinics that serve diverse segments of the US population, pharmacists are integral members of the health care team whose contributions have been shown to optimize patient outcomes while being cost effective. Working in partnership with physicians, pharmacists increasingly assume responsibility for medication therapy management.

To become a pharmacist in the U.S, an Indian graduate needs to have a valid degree recognised by the PCI and clear the TOEFL exam, Give NAPLEX exam, complete minimum internship and working hours become a certified pharmacist.

It was an interactive session between the students and the Guest Lecturer. Students clarified their doubts regarding pharmacy practice in USA and job opportunities in the same field. He then concluded his talk by advising the students to plan for a smaller yet complete methodology and attaining proper skills in the same. Faculty and students gained knowledge about Job Opportunities for Pharm. D Graduates and pharmacy practice in USA. Over all programme went on smoothly and got good response from students.

Date : 30-01-2019

Report on Conduction of Guest Lecture

On 29-01-2019 Mr. Murali had given seminar on "Abroad Studies" per 3 hours. It was well attended by faculty and students.

Faculty and students gained knowledge about Abroad Studies where it provides us to see the world, adapt to new culture, improve communication skills, improves our confidence and contacts.

GEETHANJALI COLLEGE OF PHARMACY

Cheeryal (V), Keesara (M), Medchal – 501 301

Date: 31st July, 2017

OFFICE OF THE PRINCIPAL

CIRCULAR

On **01-08-2017** (Tuesday) during 10 AM-12.30 PM, we have planned to conduct a guest lecture on "**Clinical Research Industry - Opportunities, Demand and challenges**" by Dr. Uma Maheshwar Rao, Manager, Medical Writing (Inventive Global Solutions) in our college seminar hall. Hence all students must avail this opportunity to get equipped with the knowledge imparted in the seminar.

Report on Conduction of Guest Lecture

The Department of pharmacy had successfully conducted a guest lecture on "Clinical Research Industry - Oppurtunities, Demand and challenges" on 1st Aug 2017, Tuesday in seminar hall at Geethanjali College of Pharmacy. The content covered was beneficial for the students by imparting the knowledge of clinical research and different areas in clinical research field like pre clinical studies, bioavalilability and bioequivalence studies.

In welcome speech, Prof M. Ravi kumar (Principal) expressed his word of gratitude to the guest of honour Dr. Uma Maheshwar Rao, Manager, Medical Writing (Inventive Global Solutions) and addressed students regarding the content of the lecture. The guests were felicitated with a flower pot.

The Guest Lecturer gave a brief note on opportunities, demands and challenges in clinical research industry. He explained about the clinical Research and its applications, including responsibilities, different Phases and guidelines & regulations of Clinical Research and Pharmacovigilance. It was an interactive session between the students and the Guest Lecturer. Students clarified their doubts regarding Clinical Research, Pharmacovigilance and the job opportunities in the same fields. He then concluded his talk by advising the students to plan for a smaller yet complete methodology and attaining proper skills in the same. Over all programme of guest lecture went on smoothly and get good responses from students.

Report on Conduction of Guest Lecture

The Department of pharmacy had successfully conducted a guest lecture on "Pharmacist Intervention, Prevention and Management of Medication Errors" on 6th December 2016, Tuesday in seminar hall at Geethanjali College of Pharmacy. The content covered was beneficial for the students by imparting the knowledge of drug related problems, identifying DRPs and their management.

In welcome speech, Prof M. Ravi kumar (Principal) expressed his word of gratitude to the guest of honour Dr. Karthik Rakam, Pharm.D, President Pharmacon Society and addressed students regarding the content of the lecture. The guests were felicitated with a flower pot.

The Guest Lecturer gave a brief note on opportunities, demands and challenges faced by Pharm.D students in the real time scenario. He also explained about dose calculations and dosage adjustment in renal and hepatic impairment. There was an interactive session between the students and the Guest Lecturer. Students clarified their doubts regarding Clinical Pharmacy services, Pharmacovigilance and the job opportunities in the same fields. He then concluded his talk by advising the students to plan for a smaller yet complete methodology and attaining proper skills in the same. Over all programme of guests lecture went on smoothly and get good responses from students.
