Department of Pharm Chemistry and Pharm Analysis of Geethanjali College of Pharmacy organized "add-on course on Analytical Method Development and Validation" from 21/09/2019 to 19/10/2019. This program covered the following objectives and learning outcomes.

Objectives:

- To get knowledge about development and optimization of chromatographic method.
- Study about importance of system suitability parameters in chromatographic methods.
- To get up date with the ICH and USFDA guidelines for analytical method validation parameters.

Learning Outcomes:

- Development of analytical methods in a systematic view.
- Parameters influencing chromatographic method development and how to optimize the method.
- Reporting of the results of analytical method validation parameters and their significance.

Total 73 students were participated actively in the training. The program was very much useful to the students and their response about the program was encouraging. Prof Dr. M. Ravi kumar thanked the resource persons and participants for making the program successful.

Shiva Kumar, Associate Professor, Dr. P. Neeraja, Associate Professor and Dr. T. Mangilal, Professor. This program enables the students to understand the various novel drug delivery systems and appreciate the influence of new technology on the performance of the drug product. Totally 11 students participated in this training program. All the students actively participated. Upon completion of the program they were able to understand the following objectives and learning outcomes.

Objectives:

- Understand the criteria for selection of drugs and polymers for the development of novel drug delivery systems their formulation and evaluation.
- Understand various approaches for development of novel drug delivery systems.
- Understand various new technologies used in Pharmaceutical Industries.
- Understand the formulation and evaluation of novel drug delivery systems.
- Understand the principle involved in formulation of various advanced drug delivery systems.

Duration: 21/09/2019 to 19/10/2019

Resource person details: Mr. P. Siva Ramakrishna, Digital Solutions Lead
Consultant, NTT Data Global Delivery Solutions, Hyderabad.

Geethanjali College of Pharmacy, Cheeryal, Keesara, Hyderabad organized "Add-on course on Clinical Data Management (CDM) & Statistical Analysis Systems (SAS)" for V Pharm D and P.B II year students. The Clinical Data Management is a critical phase in clinical research, which leads to generation of high quality, reliable, and statistically sound data from clinical trials. This helps to produce a drastic reduction in time from drug development to marketing. Based on the industry need currently this program was organized for PharmD. Total 30 students participated in this training program. All the students actively participated. Upon completion of the program they were able to understand the following objectives and learning outcomes.
