LIBRARY: A KNOWLEDGE CENTRE

The Resource centre of the college is the upgraded central library with a rapidly increasing collection of text books, reference books, journals, periodicals and CD ROM/DVD discs as well as e-learning facility. At present the library has 11534 volumes, 1824 titles, 69 journals of both national and international. It also provides e-learning facility through DELNET. The library documentation is done through LIBSIS and works on open access system from 9.00 AM to 5.00 PM daily except weekly and national holidays. It is the best zone of the college where the students can develop the ability to learn independently and quietly.

ANNUAL EVENTS

The college organizes several events such as Pharmacist Day (25th September), National Pharmacy Week and Dravyaka – National Scientific Seminar (3rd week of November every year) to disseminate the role of pharmacy graduates in Health Care and Society.

GRADUATION DAY

B. Pharmacy, M. Pharmacy, PharmD, and PharmD (PB) degrees are awarded to the successful candidates during the convocation of Geethanjali Group of Institutions. As a mark of recognition of an extraordinary performance, we offer merit awards to deserving students.

TRAINING & PLACEMENTS

Helping and guiding the students in shaping their career as per their aspirations has become an integral part of higher education today. In order to exclusively take care of these aspects, the college has a Training and Placement unit which acts as the interface between the recruiting organizations and our students.

It facilitates recruitment events on-campus as well as off-campus as required. It also organizes various pre-placement grooming programs to enhance the employability skills of the targeted students and make them industry ready.

Our 36 B. Pharm, Pharm D and M. Pharm students are placed in leading companies in the academic year 2019-20.

INDUSTRY VISITS

Industrial visits are arranged in the premier industries such as Vimta Labs, Virchow Bio-Tech and Rashmi Pharm Pvt Ltd. These visits are arranged especially for 3rd and 4th year students to acquire recent development in the field as well as to get on site experience in Pharmaceutical Industries.
