**All the faculty of Department of Civil  
Engineering**

**About the Institute**

Geethanjali College of Engineering and Technology was established in the year 2005. It is NAAC accredited with an “A+” grade. The college was conferred “Autonomous” status by UGC with effect from Academic year 2016-17. it has got ISO 9001:2008 certification. Currently, the college offers undergraduate programs, B. Tech in CSE, ECE, EEE, ME, CE, CSE-AI&ML, CSE-CS. CSE-DS, Post graduate programs M.Tech in Computer Science and Engineering and MBA. All eligible programs B.Tech (CSE), B.Tech (ECE), B.Tech (EEE), B.Tech (ME) and B.Tech (CE) of GCET were accredited by NBA, New Delhi.

**About the Department**

The Department of Civil Engineering started functioning from the year 2014. The department is equipped with state of art laboratory facilities in the all the areas of Civil Engineering specializations. The department has well qualified, experienced, and committed faculty for teaching, research and consultancy works

**One week**

**Faculty Development Program**

in

**Hybrid Mode**

on

**“Construction Project  
Management and Advances in  
Construction Materials towards  
achieving Sustainability”**

**30.07.2024 to 03.08.2024**

Organized

**Geethanjali College of Engineering and  
Technology, Kesara, Hyderabad**

## Vision of the Department

The Civil Engineering Department is committed to excellence, quality, and sustained growth while offering our students an outstanding and rigorous education in an environment that supports intellectual growth while meeting 21st century demands.

## Mission of the Department

1. To provide high-quality educational experience for students in the field of Civil Engineering with strong emphasis on professional ethics, social and environmental responsibilities.
2. To provide infrastructure and facilities to meet the latest technological requirements.
3. To provide research opportunities for faculty and students.
4. To have a continuous interaction with Industry with an emphasis on R and D.
5. To produce engineers capable of critical thinking, devoted to lifelong learning, and highly sought after by employers.

## Resource Persons

Resource persons are from IITs, NITs, BITS, Universities, and other reputed experts from the industry.

## Event Details

The events of the FDP include: Inaugural Ceremony (offline), 10 Technical sessions, interactions with speaker, feedback and Valedictory Ceremony.

## Who can attend this program?

Faculty members of the AICTE-approved institutions, Research scholars, PG Scholars, participants from the Government, Industry (Bureaucrats/ Technicians, Participants from Industry, etc.), and staff of host institutions.

Registration fee is Rs. 200/- for Faculty, Research Scholars & PG Students, and industry participants.

Seats are limited, and the participants are selected by organizers on a first-come, first serve basis.

Last date of registration: 27/07/2024
