The parties shall individually referred to as a "Party" and collectively as "Parties".

WHEREAS, in consideration of the mutual understandings contained therein and for other good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, it is mutually agreed between the Parties to this MOU, as follows:

BACKGROUND

Avenida Innovations, Party A, is a global organization focused on establishing benchmarks of excellence in training and handling innovative projects for the pharmacy, healthcare and life sciences. With offices in the United States and India, Avenida offers excellent support to the individuals, institutions and companies who it serves. Avenida Innovations through its two verticals Avenida Academy and Avenida Practice, envisions to create a better world by changing the way education is offered and healthcare is delivered. Some of its projects include initiating pharmaceutical care services in hospitals, clinical pharmacy services in remote ICUs, precision medicine, medical science liaison, knowledge management, Pharm.D managed clinics, clinical pharmacist consultation etc with its various our industry partners.

Brief info about the college, Party B is an institute offering undergraduate program (B.Pharm), five post-graduate programs, M. Pharm (Pharmaceutics), M. Pharm (Pharmaceutical Analysis) M. Pharm (Regulatory affairs) Pharm.D. & Pharm.D (PB) affiliated to JNTUH, Hyderabad. All the programmes are approved by the Pharmacy Council of India (PCI). The college has been recognized under UGC 2(f) & 12 (B). The college is accredited by NAAC with A+ grade in first cycle of accreditation. B.Pharmacy

programme is accredited by the National Board of Accreditation (NBA) which is reaccredited by NBA in 2nd cycle in Aug 2023. The college got NIRF rank in 101-125 band for the year 2023 and participated in NIRF innovation ranking - 2023. GCPK is recognized as R&D centre by DSIR - SIRO and is approved as HI/BI by MSME. The institute has ISO 9001:2015 certification. The college has been recognized as adverse drug reactions monitoring Centre (AMC) under PvPI (Pharmacovigilance Program of India). The college is recognized as SWAYAM local chapter. GCPK got AICTE-Internshala- all India rank-54 and zonal rank -17. The Institute Innovation cell of GCPK received 2-star rating for the A.Y.2022-23. The college has more than 40 MOUs with various industries, hospitals, and research organizations. The notable one like for an MOU with AIMST University, Malaysia, Berhampur University, Odisha to conduct various collaborative research activities.

Both the parties hereby form themselves into this MOU for the benefits of each other and ultimately the wider population as both have a synergy in their space of work and engagements.

ENGAGEMENT & SCOPE

This MOU contemplates the proposed engagement of the Parties. All Parties accept such engagement and agree that they shall during the term of their engagement hereunder conscientiously provide their resources and perform the required services to full limit of their ability, and further agree that they shall promptly and faithfully comply with all requirements, directions, requests, rules, and regulations.

MEMORANDUM OF UNDERSTANDING

BETWEEN

**AIMST UNIVERSITY
MALAYSIA**

AND

**GEETHANJALI COLLEGE OF PHARMACY
INDIA**

THIS MEMORANDUM OF UNDERSTANDING made on 7th day of **November** 2023 in two (2) original texts each in the English language, all texts being equally authentic.

BETWEEN

AIMST UNIVERSITY (Co.No.: 496741-P), a private university of higher learning established in Malaysia under the Private Higher Education Institutions Act 1996 [Act 555] and having a license number of DU010(K) with its registered address at Batu 3 ½, Jalan Bedong-Semeling, 08100 Bedong, Kedah Darul Aman, Malaysia (hereinafter referred to as "**AIMST**"), of the one part

AND

GEETHANJALI COLLEGE OF PHARMACY a private university recognized under UGC Section 2F and 12B of the UGC Act, 1956 with its registered address at Cheeryal (V), Keesara (M), Medchal-Malkajgiri District, Telangana State – 501 301, India (hereinafter referred to as "**GCP**"), of the other part

(AIMST and GCP hereinafter referred to singularly as "**the Party**" and collectively as "**the Parties**");

WHEREAS the Parties are desirous of entering this Memorandum of Understanding ("**MoU**") to declare their respective intentions and to establish a basis of co-operation and collaboration between the Parties upon the terms as contained herein.

DESIRING to strengthen and further develop the friendly relations between the Parties in the field of academic programmes related to pharmacy courses;

APPRECIATING the importance of enhancing tertiary education for economic development as well as a means to further develop the ties between both Parties;

CONVINCED of the necessity for a lasting and effective cooperation in the interest of the Parties; and

BELIEVING that such cooperation would serve their common interests and contribute to the enhancement of tertiary education for the benefit of both Parties.

NOW BOTH PARTIES HAVE AGREED as follows:

ARTICLE I OBJECTIVE

The Parties, subject to the terms of this Memorandum of Understanding and the laws, rules, regulations and national policies, of each Party from time to time in force, agree to strengthen, promote and develop cooperation in tertiary education, as well as the development of activities for the purpose of mutual recognition.

ARTICLE II AREAS OF CO-OPERATION

1. Each Party will, subject to the laws, rules, regulations, procedures and national policies from time to time in force governing or relating to the subject matter of this Memorandum of Understanding, endeavour to take necessary steps to encourage and promote co-operation in the following areas :-

a) Mobility Programme for Students

An all-encompassing mobility program that includes the Global Immersion Programme (GIP), internships, study visits, and industrial training and attachments. This provides students with an invaluable opportunity to gain real-world experience, both locally and internationally.

b) Student Exchange Programme

A student exchange initiative, which will be meticulously structured to cater to the mutual preferences and needs of both institutions. This encourages the cross-cultural enrichment of students.

c) Faculty and Staff Mobility

Collaboration in the form of faculty and staff mobility, which includes guest lectures, co-lectures, visiting scholars, adjunct appointments, fellowships, and collaborative research projects. This is aimed at promoting a rich exchange of knowledge and expertise.

d) Teaching and Collaborative Research

Joint efforts in teaching, collaborative research projects, supervision, grant applications, as well as the organization of conferences, seminars, webinars, forums, and workshops. This promises a thriving academic environment with diverse opportunities for growth and discovery.

e) Exchange of Information

The exchange of information on learning, teaching, and research requirements, ensuring that both institutions stay updated and aligned with the latest developments in the field of pharmacy.

f) Symbiotic Programmes and Projects

Collaborative initiatives designed to bring mutual benefits to both AIMST and GCP, thereby enhancing the quality of education and research.

The primary objectives of this collaboration are:

To establish a global network connecting pharmacy students and professionals, providing a platform for knowledge exchange and collaboration.

To create opportunities for students and faculty to participate in conferences, seminars, and collaborative research projects and supervision.

Timeline to Implement the Collaboration Agenda

- a) The Global Immersion Programme (GIP) is scheduled for May 2024, offering students the chance to immerse themselves in international pharmaceutical practices and research.
 - b) Research activities are an ongoing aspect of the collaboration, taking place at any point during the memorandum of understanding (MoU) period.
 - c) Exchange of learning and teaching information remains a flexible and continuous component throughout the MoU period, allowing for a fluid exchange of knowledge and resources.
2. This collaboration between AIMST and GCP is a testament to the commitment to excellence and innovation in the field of pharmacy education and research. Through the mutually beneficial initiatives outlined above, both institutions strive to enhance the learning experiences and academic achievements of their students and faculty.
 3. For the purpose of implementing the co-operation in respect of any area stated in paragraph 1, the Parties will enter into a legally binding agreement subject to terms and conditions as mutually agreed upon by the Parties.

4. The Parties will have the right to use and publish any information derived from implementing the cooperation in respect of any area stated in paragraph 1 provided that written consent is obtained from the other Party. In the event that one Party wishes to publish, disclose and/or present (in any form of disclosure) the data and/or the outcomes arising from this Memorandum of Understanding, the Party will submit a draft of each such publication or presentation to the other Party and give the right to have certain parts of the said publication or presentation to be removed or amended by the other Party itself. In any such publication, the contribution of the Parties will be acknowledged.

ARTICLE III

PROJECT STEERING COMMITTEE

1. The Parties will establish a Project Steering Committee (hereinafter referred to as "Project Steering Committee") to review the implementation of this Memorandum of Understanding between the two Parties.
2. The Project Steering Committee will consider ways and means to promote the aforesaid objective and to ensure the proper coordination and implementation of its decisions and/or recommendations. The Project Steering Committee will also review the progress of the implementation of all understandings concluded between the Parties within the framework of this Memorandum of Understanding and take steps to ensure the active and prompt implementation of the understandings.
3. The Project Steering Committee will be chaired by the Registrar of AIMST or alternatively by the Faculty Dean of Pharmacy of AIMST and by the Registrar & CEO of GCP on behalf of GCP, with participation by other relevant stakeholders of the Parties as appropriate and mutually agreed upon by the Parties.

4. The Project Steering Committee will meet at a date and venue convenient to and decided upon by the Parties.
5. The composition and procedure of the Project Steering Committee will be jointly decided upon by the Parties.
6. The decisions and other conclusions of the Project Steering Committee will be reflected in the minutes of the meeting and the Parties will take appropriate steps to implement these decisions and conclusions as soon as practicable.

ARTICLE IV
EFFECT OF MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding serves only as a record of the Parties' intentions and does not constitute or create, any legally binding or enforceable obligations, express or implies, under domestic or international law.

ARTICLE V
IMPLEMENTATION

In the implementation of this Memorandum of Understanding, AIMST and GCP will arrange the details of any activities to be carried out, recognizing that the exchange of any staff or materials will not necessarily be simultaneously reciprocal.

ARTICLE VI
FINANCIAL ARRANGEMENTS

1. This Memorandum of Understanding will not give rise to any financial obligation by one Party to other.
2. However, commercials for each program mentioned above, will be worked out jointly and after the same is mutually agreed upon by both the parties concerned, they will enter into a separate agreement which will form part of this Memorandum of Understanding.
3. Each Party will bear its own cost and expenses in relation to this Memorandum of Understanding.

ARTICLE VII
PARTICIPATION OF THIRD PARTY

Either Party may invite the participation of a third party in the joint activities and/or programmes being carried out under this Memorandum of Understanding subject to written approval of the other Party. In carrying out such joint activities and/or programmes, the third party will be subject to all conditions and provisions of this Memorandum of Understanding unless the Parties agreed otherwise.

ARTICLE VIII
PROTECTION OF INTELLECTUAL PROPERTY RIGHTS

1. The protection of intellectual property (IP) rights will be enforced in conformity with the national laws, rules and regulations of the Parties.

2. The use of the name, logo and/or official emblem of any of the Parties on any publication, document and/or paper is prohibited without the prior written approval of either Party.

4. Notwithstanding anything in paragraph 1 above, the intellectual property rights in respect of any technological development, and any products and services development, carried out :-
 - (i) jointly by the Parties and obtained through the joint activity effort of the Parties, will be jointly owned by the Parties in accordance with the terms to be mutually agreed upon; and
 - (ii) solely and separately by either Party and obtained through the sole and separate effort of either Party, will be solely owned by the Party concerned.

5. The Parties agree that if any joint projects are undertaken in the course during the active duration of the signed Memorandum of Understanding, they would follow the terms mentioned in paragraph 2 of Article II, to avoid any conflict pertaining to intellectual property (IP) ownership. Therefore, the Parties acknowledge and agree that separate contractual document(s) shall be entered into between AIMST and GCP in relation to IP ownership and commercialization prior to starting any joint projects.

ARTICLE IX CONFIDENTIALITY

1. Each Party agrees to hold strict confidence any and all **Confidential Information** concerning the Program disclosed by the other Party in connection with this Memorandum of Understanding and **shall not disclose** the same to any third party **without prior written** consent of the other Party and shall not use the same for any other purpose than the Program.
