Geethanjali college of pharmacy conducted workshop for Pharm D students on "Introduction to clinirex and hands on Training on 08 January 2024. Encouraging students to use the database for case studies was the aim of the session. Ms. G. Laxmiprasanna started with introduction and explained in detail how clinirex database is useful in clinirex cases that were collected in hospital. She discussed the applications of database case analysis, case presenting, editing, and database saving. She further showed the students on how to login Id and use the software. On the last day of program, she made the students to login with id provided and made them to enter the case studies and generate report. Around 26 students attended this informative program.

One day workshop was organized on "Uses and Application of Animal Simulator" for II & IV year B.Pharm Students on 24.11.2023 by Geethanjali College of Pharmacy. The main objective of the training was to prepare the students to use animal simulator perfectly for doing their pharmacological experiments. Shalini.V explained the importance of animal simulator and how it was useful for knowing the mode of drug action in pharmacological Experiments. She provided the data required for logging into the software with all the students. Around 90 students attended the workshop. At the end of session feedback was taken from students. Students said that this workshop greatly expanded their understanding levels on how experiments can be done without harming animals by using software
