**2. OBJECTIVE:**

The theme for this year is all about understanding and recognizing the inequities in cancer care around the globe and gives demand for leader to prioritize and invest in cancer prevention and care to do more to achieve a just and cancer free world. The aim to observe World Cancer Day is to reduce misconceptions about cancer and to help people in getting the right information about it. It also offers a chance to make an impact in the betterment of the life of cancer patients and survivors. To offer technical support to the members states for implementing the plan for prevention, awareness about the causes of cancer, treatment for Cancer which will include testing, counseling, anticancer therapy etc. To encourage students from schools, colleges to contribute to the campaign organized for cancer.

**3. ADDRESSING THE EVENT:**

Principal welcomed the students, participants and faculty to World Cancer day and explained the preventive measures of Cancer.

**4. DISCUSSION:**

Awareness Day events require a significant amount of effort (such as staff time and resources). It is important to be able to describe specifically how the Awareness Day aligns with your organization's mission and what outcomes you can achieve from an event. Whether or not your organization decides to host an event, it is useful to consider partnering with other Cancer organizations and like-minded organizations beyond the Cancer community.

Each year, World Cancer day is observed with a particular theme in mind. For 2024, the theme is, "CLOSE THE CARE GAP", which will focus on creating global solidarity among people who live with Cancer and also seek to destigmatize the health issue.

#### 5. OUTCOMES:

World Cancer Day was originated at the first World Summit against Cancer in 2000. It was held in Paris and was founded by the Union for International Cancer Control (UICC). Each year, on 04 February, the world commemorates World Cancer Day. People around the world unite to show support for people living with Cancer and to remember those who have died from Cancer-related illnesses. Each World Cancer Day focuses on a specific theme, which this year will be "Close The Care Gap And The Call To Unite Our Voices And Take Action," is about making a commitment to act and standing up for a cancer-free world.

#### 6. CONCLUSION:

There is not a solid cause for developing cancer. But we need to maintain and safeguard ourselves from certain factors like toxic lifestyle habits to reduce the risk of cancer. This year's theme **Close The Care Gap And The Call To Unite Our Voices And Take Action**," promotes the positive message for the cancer patients to have the courage to battle this life-threatening condition. The conducted awareness programme helped to increase the knowledge about the disease and recent developments and research.

## 62<sup>ND</sup> NATIONAL PHARMACY WEEK (NPW)-2023

**THEME: "JOIN PHARMACISTS TO ENSURE PATIENT SAFETY"**

### 1.0 INTRODUCTION

Geethanjali College of Pharmacy, Cheeryal, Hyderabad was established in the year 2007 and has organized 62<sup>ND</sup> National Pharmacy Week in association with IPA from 19<sup>th</sup> – 25<sup>th</sup> Nov 2023 with the theme of "**JOIN PHARMACISTS TO ENSURE PATIENT SAFETY**"

National Pharmacy Week was observed nationwide from November 19<sup>th</sup> to 25<sup>th</sup> 2023. National Pharmacy Week is observed annually to honour and recognise the critical role that pharmacists play in the healthcare environment. This day is set aside to pay tribute and appreciate the vital roles that pharmacists play in the fields of medical supplements and healthcare workers. Known as the "pharmacy of the world," India is predicted to reach \$65 billion by 2024 and ranks third in the world in terms of volume of pharmaceutical output. India supplies 50% of the world's vaccine demand, 40% of the US market for generic drugs, and 25% of the UK market for all medications. During National Pharmacy Week, we comprehend the vital roles that pharmacists and contributions that pharmacists and pharmacy technicians make to patient care in hospitals, outpatient clinics and other healthcare settings are recognised during National Pharmacy Week.

## 2.0 OBJECTIVE

The 62<sup>nd</sup> National Pharmacy Week in India serves as a platform to acknowledge and celebrate the efforts of pharmacists in ensuring the safe and effective use of medications, advancing healthcare, and promoting public health awareness.

### 62<sup>nd</sup> National Pharmacy Week (NPW)-2023

Dear Members,

The Indian Pharmaceutical Association has been celebrating the National Pharmacy Week every year during the 3<sup>rd</sup> week of November. The 62<sup>nd</sup> National Pharmacy Week (NPW) will be celebrated from  
19 to 25 November, 2023

The theme selected for this year is:

"Join Pharmacists to ensure patient safety"

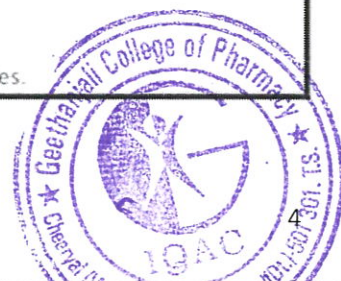

We look forward to receiving your innovative ideas about how the NPW should be celebrated this year as well as about the educational material to be developed to make it most effective and meaningful. Your active participation is most welcome.

The main objective of NPW celebrations is to broaden the public, other healthcare providers', and authorities' knowledge of the NPW impacted. Recognising the affords an opportunity for appreciating and honouring pharmacists' contributions to improving healthcare, raising public health awareness, and guaranteeing the safe and efficient use of pharmaceuticals.

The celebrations began with the welcome address by our renowned Principal of GCP Professor **"Dr. M. RAVI KUMAR"** Garu, followed by chairman of Geethanjali group of institutions **"Mr. G. R. RAVINDER REDDY"** Garu.

The National Pharmacy Week celebrations officially began off after that, with a speech by the chief guest, Mr. Yellamraju Ramalingeswar Rao, Associate Director, ARD, India. In his speech, Sir emphasised India's place in the global pharmacy industry. He also covered the various routes to success as well as the potential both domestically and internationally. ## 62<sup>ND</sup> NATIONAL PHARMACY WEEK (NPW)-2023

**THEME: "JOIN PHARMACISTS TO ENSURE PATIENT SAFETY"**

### 1.0 INTRODUCTION

Geethanjali College of Pharmacy, Cheeryal, Hyderabad was established in the year 2007 and has organized 62<sup>ND</sup> National Pharmacy Week in association with IPA from 19<sup>th</sup> – 25<sup>th</sup> Nov 2023 with the theme of "**JOIN PHARMACISTS TO ENSURE PATIENT SAFETY**"

National Pharmacy Week was observed nationwide from November 19<sup>th</sup> to 25<sup>th</sup> 2023. National Pharmacy Week is observed annually to honour and recognise the critical role that pharmacists play in the healthcare environment. This day is set aside to pay tribute and appreciate the vital roles that pharmacists play in the fields of medical supplements and healthcare workers. Known as the "pharmacy of the world," India is predicted to reach \$65 billion by 2024 and ranks third in the world in terms of volume of pharmaceutical output. India supplies 50% of the world's vaccine demand, 40% of the US market for generic drugs, and 25% of the UK market for all medications. During National Pharmacy Week, we comprehend the vital roles that pharmacists and contributions that pharmacists and pharmacy technicians make to patient care in hospitals, outpatient clinics and other healthcare settings are recognised during National Pharmacy Week.

## 2.0 OBJECTIVE

The 62<sup>nd</sup> National Pharmacy Week (NPW) will be celebrated from  
19 to 25 November, 2023

The theme selected for this year is:

"Join Pharmacists to ensure patient safety"

## VOTE OF THANKS

On behalf of Geethanjali College of Pharmacy and all the management members present, Dr. P. Neeraja, Professor and Head of the Department of Pharmaceutics, expressed sincere gratitude to all the speakers for graciously sharing their thoughts during this National Week of Celebration.

National Pharmacy Week (NPW), an initiative of the Indian Pharmaceutical Association (IPA), strives to enhance public awareness of the profession of pharmacy and India's significance to the global pharmacy industry.

**"Join Pharmacists to Ensure Patient Safety"** is this year's theme. The 62nd National Pharmacy Week was observed by Geethanjali College of Pharmacy from November 19<sup>th</sup> –25<sup>th</sup>, 2023. The main objective of NPW celebrations is to broaden the public, other healthcare providers', and authorities' knowledge of the NPW impacted. Recognising the affords an opportunity for appreciating and honouring pharmacists' contributions to improving healthcare, raising public health awareness, and guaranteeing the safe and efficient use of pharmaceuticals.

The celebrations began with the welcome address by our renowned Principal of GCP Professor **"Dr. M. RAVI KUMAR"** Garu, followed by chairman of Geethanjali group of institutions **"Mr. G. R. RAVINDER REDDY"** Garu.

The National Pharmacy Week celebrations officially began off after that, with a speech by the chief guest, Mr. Yellamraju Ramalingeswar Rao, Associate Director, ARD, India. In his speech, Sir emphasised India's place in the global pharmacy industry. He also covered the various routes to success as well as the potential both domestically and internationally. Then, he inspired the students to pursue better careers in pharmacy by offering insightful advice.

Lastly, during the valedictory session, congratulated the winners and runners-up on their prize distribution in every competition.

The National Anthem was performed as a way of ending off the week-long activities.
